

WELLBORN + WRIGHT

WHITE OAK

Grades

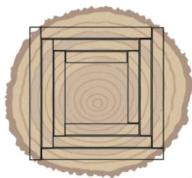

The face of a plank may contain prominent color variation, unlimited burls, mineral streaks, open or filled knots of any size, and worm holes. Splits and knots create effect of antique wood and emphasize authentic oak texture. Character grade is used to classify a wide range of unlimited characters.

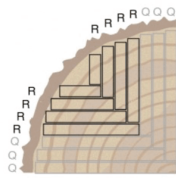

Contains all the variations in coloration produced by the contrasting differences of heartwood and sapwood. Includes minimal character marks, such as small knots, worm holes and mineral streaks, as well as slightly open characters. The combination creates a floor where the light sapwood and dark heartwood are combined with small characters and other small color interruptions.
